Subject Confirmation of the valid insurance coverage of the mandatory motor vehicle liability insurance

confirmation of the Motor vehicle liability insurance coverage UNIQA Biztosító Zrt. (Insurance company) hereby confirms that Gartner Intertrans Hungária Kft. has insurance coverage from the mandatory motor vehicle liability insurance under customer number 165378 for the motor vehicles (fleet) that it owns and is named in the individual policies. UNIQA Biztosító Zrt. issues an individual policy and green card for each motor vehicle in the fleet. The number of motor vehicles covered by the insurance contract is 686.

Description of Insurance Coverage Coverage for damage caused by the correct use of the motor vehicle in the conditions laid down by law. The conditions of coverage are set out in Law No. LXII of 2009 on Motor Vehicle Compulsory Liability Insurance. (Personal injury up to €6,450,000 and property damage up to €1,300,000) Special transports are only insured if they have been approved by the authorities and all requirements have been met. The insurance cover covers environmental damage. Lawful operation is lawful towing with a motor vehicle, regardless of the weight, size or other characteristics of the trailer. There is no insurance coverage for direct damage to the delivered goods. This confirmation is not a policy or a confirmation of liability, it only enables a better understanding of the individual insurance policies abroad. The conditions of insurance coverage are set out in the policy, in the insurance contract and in Law No. LXII of 2009.

The annex contains the list of vehicles recorded on February 1, 2024.

Period of Insurance Coverage The insurance cover is valid until 12/31/2024 24:00 hours.
